HEARING RE: DEFENDANT'S §2255 MOTION

Cause called and counsel make their appearance. Counsel are invited to argue their position on the above-referenced proceeding. The Court finds that there was not a conspiracy as claimed, however, believes an administrative breakdown did occur. Furthermore, the Court finds that the defendant deserves a credit on his term of imprisonment; reducing his sentence by eight (8) years [from forty-nine (49) years to forty-one (41) years] and any effect on parole eligibility.
